

Auto Dual-End Terminal Crimping Machine

WG-01

Features

- Integrated functions: cutting, stripping, and dual end crimping.
- Servo motor control with touchscreen parameter adjustment.
- Comprehensive detection system with automatic alarm for anomalies.
- Compatible with horizontal and vertical OTP dies.

Product Parameters

Model	WG-01
Wire Gauge Range	AWG18#-30#
Cutting Length	40mm-9999mm
Cutting Tolerance	+0.5mm(≤ 100 mm) / +1.0mm(>100mm)
Stripping Length	End 1: 0.1-9mm; End 2: 1.0-9mm; Semi-stripping: 3.0-9.0mm
Crimping Force	2T
Power Supply:	Single-phase AC 220V 50/60Hz
Productivity:	3600pcs/h
Weight:	460kg
Size:	1000*700*1550mm
